

**Personality Rights Protection Consent Form in connection with the
“Vistula Sounds” International Vocal Festival & Competition**

I hereby consent to the use of my / my son's / daughter's* personal data as contained in the application form, including my / my son's / daughter's* image, in any territory and at any time, provided that the changes do not adversely affect such image, in connection with the “Vistula Sounds” International Festival and Singing Competition as follows: photography, filming and recording the contestants, publication of the image in the media (online and traditional), as well as the publication of full name and image in all announcements, releases and information concerning the Festival and Competition and their results.

I hereby represent that I have been advised of my right to revoke this consent at any time through an electronic advice sent to festiwal@ce.sarsargsyan.com . Once my consent has been revoked the image (photograph) will be deleted without any undue delay from the publications where such removal is possible.

I hereby represent that I have been advised that in relation to publications where such removal should not be possible to technical reasons or should generate losses, or should be related to additional payments/contributions, and the continued processing is connected with a valid public interest, the processing shall cease as of the moment the circulations of the publications where my image has been used are recalled or exhausted. I have read the above, acknowledge its contents and fully understand their meaning.
